The Mission Inn Run supports the nonprofit Mission Inn Foundation and Museum. Founded in 1976, the Foundation preserves, promotes, and interprets the history of the Mission Inn, Riverside, and southern California. The Museum offers programs, exhibitions, and educational outreach. Volunteer docents lead guided tours of the National Historic Landmark hotel, hosting over 17,000 tour guests each year. **Your entries support the Museum's historic preservation efforts, award-winning classroom programs like Hands On History, First Sundays, and more!**
