The Frank Miller Civic Achievement Award is presented annually to individuals who demonstrate outstanding civic leadership, service, and support to the community in the tradition of Frank Miller, founder of the Mission Inn. This year's recipient, Gordon Bourns, is a champion of STEM education, serving as the Vice President of STEP and recently supported the establishment of the Gordon and Jill Bourns College of Engineering at California Baptist University.

Gordon is committed to giving back to the community of Riverside in reciprocation for the many benefits he, his family, and Bourns, Inc. have received from it. Gordon is an active participant in community affairs including participation with the Riverside Police Department Foundation Board, Board of the UC Riverside Foundation, Board of Advisors for the Marlan and Rosemary Bourns College of Engineering at UCR, Board of Visitors at CBU, School Board for the Woodcrest Christian School System, and a past recipient of the Inland Empire Boy Scouts Distinguished Citizen of the Year Award.

The Mission Inn Foundation is proud to present this award to Gordon Bourns in recognition of his devotion to Riverside and its citizens.
