

2020 FRANK MILLER Civic Achievement Award

Honoring
Brian Jaramillo

Sponsorship Opportunities

The **Frank Miller Civic Achievement Award** is presented annually to individuals who demonstrate outstanding civic leadership, service and support to the community in the tradition of Frank Miller. It is with Miller's devotion to community in mind, that the Mission Inn Foundation presents the Frank Miller Civic Achievement Award to Brian Jaramillo.

Brian Jaramillo has recently been awarded Riverside's City Spirit Award for his efforts to design and build The Grove Village project, a collaborative effort with Grove Community Church to provide housing for Riverside homeless individuals and families. With his company, Tilden-Coil Constructors, he has spearheaded fundraising efforts for a variety of philanthropic groups, including the Riverside Educational Enrichment Foundation, the Leukemia & Lymphoma Society and Starting Blocks, which is a learn-to-swim program.

The Mission Inn Foundation is proud to present this award to Brian Jaramillo in recognition of his devotion to Riverside and its citizens.
