

# SAVE THE DATE!

## DOCENT & VOLUNTEER RETREAT

Join us this September to gather with fellow docents, volunteers, and staff for our first-ever retreat. The retreat will focus on the volunteer and guest experience with informational speakers, discussions, and activities. Please mark your calendar for either of the two dates. Everyone's participation will make for a great retreat. We look forward to seeing you on September 15 or September 18!
